

# Upcoming Changes to Services Provided by our Nursing Team

In order to provide you with improved access for nursing visits, New Vision FHT will be implementing some changes.

Effective July 4<sup>th</sup>, all treatments provided by our nursing team must be scheduled. If you require the following services, please call our receptionist to make an appointment.

*All treatments are scheduled Monday to Friday, 8:30 a.m. to 5:00 p.m.*

Examples of treatments:

- Allergy Shots, Immunizations, B12 injections
- Ear Syringing
- TB Skin Test
- Wart Treatment
- Blood Pressure Monitoring
- Dressing Changes, Suture/Clip Removals

**Test results and medication advice must be booked with your family physician.**
