## Important Update from New Vision FHT April 8, 2021

Dear Patients,

The criteria to be able to pre-register for your COVID vaccine has expanded, and you might be eligible!

If you meet the criteria, please pre-register now at: <http://regionofwaterloo.ca/VaccinePreReg>

A patient attestation (not a letter or formal documentation from us) will be asked of the patient, identifying they are indeed from the priority group. **No other proof will be required.**

**Please do not call us to book the appointment for you.** The fastest way to receive an appointment is to choose either email or text as preferred contact options when pre-registering. If you do not have email or text option, consider asking a loved one to book for you.

Please consider booking at our site! You will get to choose the time and place for your vaccine. We are listed as the New Vision FHT (Greenbrook Drive, Kitchener). When you receive your Invitation to Register, select this site option.

Note: Although New Vision FHT is one of the region's vaccination sites, we are not able to book an appointment for you. **Please do not call our office.** You must book through the region's portal.

For ongoing eligibility criteria, we encourage you to visit the Region of Waterloo site:

<https://www.regionofwaterloo.ca/en/health-and-wellness/covid-19-vaccination-pre-registration.aspx#>

While we all wait to get the vaccine, please:

***Wear a mask, keep your distance, wash your hands.  
AND be calm, be safe, be kind.***

Sincerely,

New Vision Family Health Team
